🏠 Spain

Professor of Science, Technology and Robotics

▼ Profile

I am a proactive person who likes to achieve goals, undertake and overcome every obstacle in life. I was born on March 30, 1997, in Madrid (Spain). I love traveling, discovering new cultures, meeting new people and having diverse experiences around the world. I like to play sports, socialize with friends and have a good and balanced diet. I have a driver's license and my own car.
