I.T, Video & Acoustic Engineer

▼ Profile

I am a proactive person who likes to achieve goals, to start new projects up, and overcome every bump in life. I was born on March 30th, 1997, in Madrid (Spain). I love traveling, discovering new cultures, meeting new people, and having diverse experiences throughout the world. I like to play sports, socialize with friends, and have a good balanced diet. I have the driving license and my own car.
